### MAB #247 Cut size of pieces

2 1/2" X 2 1/2"

2 1/2" X 4 1/2"

5" X 5" \*  
Cut in half on  
the diagonal

Small Half Square  
Triangles cut from a  
2 1/2" wide strip  
using an EZ Angle  
Ruler.

\* Piece C: Technically a 4 7/8" square will work, but I like to use a 5" square cut in half on the diagonal. I then square up the Shaded 4 Patch unit to 4 1/2", trimming away only from the larger triangle.

After trimming add connecting corner piece A to turn it into the Twice Shaded 4 Patch Unit.

### MAB #247 Units

Flying Geese Unit

Twice Shaded 4 Patch

Make a Shaded 4 Patch Unit then add piece A as a connecting corner

Cutting directions for 247

A - 24 background

12 Color 2

B - 4 Color 1 Center of flying geese

C - 2 Color 1 cut diagonal once = 4 triangles

D - 8 background

Note that you need to use a scant quarter inch seam allowance when making the twice shaded 4 patch.
