MAB #130 Cut size of pieces

* Piece E: Technically a 4 7/8" square will work, but I like to use a 5" square cut in half on the diagonal. I then square up the Shaded 4 Patch unit to 4 1/2", trimming away only from the larger triangle.

MAB #130 Units

If you would like detailed step by step instructions, you can find them for the first 6 MAB blocks in the Party of Six pattern. Available as a PDF download or in print. Once you make those six blocks you will have the skills to construct the others. <https://patspeth.com/collections/patterns/products/party-of-six>
